GST (18%)	4,576.50
Total Amount	30,001.50

SCOPE OF WORK

The quoted price includes software licensing, implementation, training, and 12 months of technical support. This comprehensive solution provides real-time tracking, automated notifications, and reporting tools to help your business improve operational efficiency.

KEY BENEFITS

- Reduce administrative work by up to 45%
- Improve technician productivity by 30%
- Enhance service quality and response times
- Typical payback period of less than 6 months

TERMS & CONDITIONS

- 1. This quotation is valid for a period of 30 days from the date of issue.
- 2. 50% payment is due upon acceptance of the quotation, with the remaining 50% due upon deployment.
- 3. Implementation timeline: 4-6 weeks from the date of order confirmation.
- 4. The software license is perpetual with 12 months of included technical support.
- 5. Additional support and maintenance after the initial 12-month period will be charged at 18% of the license cost annually.
- 6. Training will be provided for up to 10 users as part of the implementation process.
- 7. Any custom development beyond the standard features will be billed separately at our standard hourly rate.
